

CALIFORNIA VICTORY CHURCH

FAMILY MATTERS

THE FATHER'S BUSINESS STARTS AT HOME

SEVEN YEARS OF VICTORY

The first three and a half years of California Victory Church was a time of explosive growth, the second three and a half years were times of testing, proving and pruning. The last two years in particular have been some of the most difficult and yet most amazing of our 30 years of full time ministry.

We have felt all hell break loose in a variety of key areas of ministry and yet through it all God has provided the strategies, the people, the finances and the strength to come through victorious. The devil has fired his best shot and California Victory Church is still standing and we are stronger, wiser and more focused than ever before; and this new momentum has the ball moving speedily in the right direction. Praise the Lord!!!

The purchasing, rezoning, and renovating of our new 20,000 sq ft facility in the beautiful Brookhollow Business Complex—in such an ideal location—has been a grueling 20 month battle. Yet in the midst of it we have seen God's grace, favor and miracle-working power. A highly successful pastor told me years ago if a church can go through the kind of building process we have just been through successfully, then it is ready to take the city for Jesus!!

Well, we are prepared, we are ready, we have stood the test of time, and the creative power of God is being released in our midst.

This next year is our eighth year, the year of new beginnings. (Isa 43:19)

Are you ready for a new thing, something that you have never done before? Are you ready for the next new idea, project or relationship that will release God's healing power to a lost and hurting world?

Hazel and I are ready. California Victory Church is ready. We have prepared for growth in every area. We have prophetically declared that this next year will be the Year of the Double Portion, and when you get the Double Portion you can double everything. Get ready, God is about to give us *double for our trouble* (see Job 42:10).

I feel an excitement in my heart; I know it's our time. It's manifestation time!

Together we win!

MEN'S MINISTRY

Dr George Hill, our Senior Pastor, is a man's man and has raised up thousands of Men through great Word teaching and mentoring.

Men's Breakfast

The teaching for men changes a man's life, his family and the church. Personal growth principles and much more are taught and discussed at the Tuesday 6 am Men's Meeting every week at California Victory Church.

JAIL MINISTRY

The CVC jail team, Milton Herber, Hos and Lois McKoon, and Dana Montiero, has great favor with the staff, the Orange County Jail Ministry board and the inmates!

The team provides the inmates with praise and worship, and a gospel message. As a result many souls are being saved. Please pray for the team the second Tuesday night of each month as they speak to the women and then the men from 6-9 pm.

WORSHIP

CVC has great worship that brings the anointing every Sunday at 10am as we gather together.

People are touched by the Lord in our services as we worship and ministered to in the area of their need.

Some are healed, delivered and set free in powerful worship and praise.

If God has gifted you with the ability to sing or play an instrument we are looking for you.

We know You'll Look Good in Victory!

MEDIA

Phil Clegg is working with us on contract to help rebirth our TV and multi-media ministry. New equipment has been purchased. Workers are being recruited and trained and new programs are being produced from our new facility.

TV and Web ministry enables us to reach into the homes and hearts of the lost and hurting around the world with the life changing message of Jesus Christ. Through this medium we can also increase our ability to communicate, instruct and educate the people in the thousands of Victory Churches World Wide.

If you are interested in helping in this area of ministry contact the office for information and help take the gospel beyond our four walls.

CHILDREN'S MINISTRY

At California Victory Church we provide a secure and protected place for your children. It is our aim to lead your children through a systematic study of God's Word in a unique way, so that your child will have an intimate relationship with our Lord Jesus Christ, have a good understanding of the Scriptures, nature and character of God, and are trained to hide the Word of God in their hearts (Ps 119:11).

WE ARE A SUPPORTIVE ARM OF YOUR FAMILY HELPING TO PREPARE YOUR CHILD FOR LIFE!

Recently, Dr Hazel Hill, VCI Missions Director, went to Africa on a mission. Joaney Harrell taught the children on missions while Dr Hazel was away. The children followed Dr Hazel on her journey.

They learned from the world map; sat in a model airplane and learned what it is like to fly off to a foreign land. They also had their own little passport with stamps. Ms Joaney taught scriptures on the Great Commission, culminating with the children learning a song in an African language, taught by Debora Wondercheck, which they sang in church upon Dr Hazel's arrive home.

Dr Hazel gave them all a gift from Africa!!! The boys received a drum and the girls received a giraffe carving. Thank you to the children who prayed for Dr Hazel and her team while they were in Rwanda and Kenya.

YOUTH

Youth Worshipping God @ Victory Conference

The teen years can be a difficult time for some children, but with a great youth group that teaches and trains teens in the Word of God and World missions, it can be made so much easier on them.

We teach intimacy with our Savior and Lord Jesus Christ, a sense of belonging, self worth, destiny and world missions—and make it all fun!!!

Youth Ministry

"I will give them a heart to know me, that I am the LORD. They will be my people, and I will be their God, for they will return to me with all their heart." —Jeremiah 24:7 (NIV)

This October the Youth of CVC are embarking on our first ever youth group missions trip. The youth will get an up close and personal experience of what it's like in the slums of Mexico.

With many outreach activities and work projects planned, the youth will not be short of things to do. All support is welcome. Consider what you can do financially and prayerfully. We are so glad to be part of a family that reaches to every corner of the earth!

MISSIONS

CVC believes we should all "Have a Heart Big enough to Encompass the World."

We are affiliated with Victory Churches International and have mission bases in over 43 nations. There is a place for you in Victory World Missions.
