2010 Daniel Fast

Drs. George and Hazel Hill
Victory Churches International

The Daniel Fast is a spiritual discipline designed to better connect us with God. The staff of **California Victory Church** will be doing a **21 day Daniel Fast** as well as **increasing prayer** and **daily reading through the One Year® Bible**, to deepen our relationship with God and center ourselves around what God wants to do in our church, in our personal lives and Victory Churches all over the world during this 3 week period.

What is a Daniel Fast?

The Daniel Fast is a partial fast where there is a restriction in your diet, but not total abstinence from food. Although it appears that the **full fast** seemed to be the custom for Daniel, for a three week period in **Daniel 10:3** Daniel went on a partial fast.

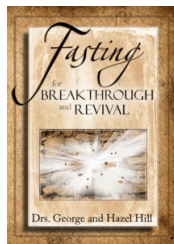

One of the most significant victories in the life of the prophet Daniel is recorded in Daniel 9. While studying the prophecy of Jeremiah, Daniel discovered that Jeremiah had proclaimed that the Babylonian captivity would last seventy years, then the Hebrew exiles would return to Israel. Daniel looked at the calendar and discovered that the time was up – the seventy years had been fulfilled – but the Hebrew exiles were still in captivity.

Daniel was so perplexed about why God hadn't come through on His promise, that he devoted himself to a period of prayer and fasting. He was desperate for God to fulfill His promise for the restoration of the Jews to their homeland.

Daniel began to confess the sins of his people. While he was praying, God dispatched the archangel Gabriel from heaven to tell Daniel what would happen. The angel told Daniel that his people would flourish once again! God had a plan. The revelation he received placed a burden on his heart that weighed so heavily upon him that Daniel began to pray and fast until an answer came. This is where the 21 day fast originates: ***"In those days I, Daniel, was mourning three full weeks. I ate no pleasant food, no meat or wine came into my mouth till three full weeks were fulfilled."* (Daniel 10:3).** Then after 21 days of prayer and fasting there was a mighty breakthrough! The angel of God appeared to Daniel and let him know that God had heard his prayer.

Daniel restricted his diet. He eliminated meats, sweets and breads from his diet and ate fruit and vegetables and only drank water. **He also prayed 3 times a day!**

THE KINDS OF FASTS

Fasting is something that is between you and God. The type of fast you go on is between you and God. The combination of the Full Fast/Daniel Fast will be done by the staff and we invite all the leaders and the people of Victory to join us!

TIME WITH GOD & PRAYER— DANIEL PRAYED 3 TIMES A DAY!

For maximum spiritual benefit, it is important that the time normally devoted to eating be given to PRAYER, BIBLE study and being ALONE WITH GOD.

EXAMPLE:

Pray often throughout the day. Begin the day with personal praise and worship. Read and meditate on God's Word. Pray for your own needs and the needs of your family.

At noon, take a short prayer walk. Spend some additional time in God's Word. Pray for the leaders in your community, nation and world.

In the evening, take some time to be alone with God. Spend time in solitude. Get away from every distraction possible. Pray for the un-reached millions of people in our world. Pray for missionaries and missions activity.

If possible, begin and end each day on your knees. The more time you spend alone with God, the more effective and meaningful your fast will be!
